PREMIER EDUCATION SEMINAR:**Supply Management and Operations Plant Tour at Pella Corporation**

Kraig Koehler, C.P.M. and Supply Management Staff

ISM-CI members and their guests will tour the Wood Window and Door Production Lines at Pella Corporation in Pella, IA on June 9th. Both Production lines will in operation. This will be a great opportunity to discuss supply management operations and network with supply management professionals at dinner and during a very interesting plant tour at Pella Corporation from 6:00 – 8:30 PM on June 9th.

ISM-CI will meet and dine at the Kuyper Institute in the Pella Corporation Main Building at 102 Main Street in Pella. Dinner and the ISM-CI Business and Networking will be from 6:00 to 6:45 PM. You should plan to arrive by 6:00 PM or as soon thereafter as possible.

Our group will be divided into several smaller groups to tour the facility and interact with the Pella Corporation Tour Leaders. The tour will include the Display Area, Raw Wood Processing, Pieces and Parts, Circle Head Area, and Final Assembly area. You will want to see these operations, hear the discussions, smell the glue and see the finished products. Plant Tour 6:45-8:15 (1.5 CEH)
